## Saving energy can feel really comfortable.

**W**e're full of energy saving ideas. Asking you to sacrifice comfort isn't one of them. We offer everything from earth-friendly BioHeat heating oil, to high-efficiency heating and AC systems, to insulation and home energy audits. Our goal is to make your home as green as possible. And reduce your energy costs all year long.

We're here to help. Email [action@bantamhome.com](mailto:action@bantamhome.com) or call at 860.567.9431.

## Automatic delivery: For oil and propane.

Thanks to our sophisticated tracking software, we know when you need fuel. Whether you use oil or propane, you can save with:

**Smart Pay:** Spread your fuel costs over the entire year and save 5 cents per gallon.

**Dynamic Price Caps:** Get the protection of a fixed price. If the price goes down, you'll pay even less!

## Propane does it all – efficiently.

We install and service propane equipment for home heating, water heaters, backup generators, cooktops and more.

# Bantam BioHeat

### OIL GOES GREEN!

We were the first in Litchfield County to deliver **BioHeat**. Our renewable blend is cleaner than natural gas and better for your heating system!

We're here to help. Email [action@bantamhome.com](mailto:action@bantamhome.com) or call at 860.567.9431.

## Keep Your Cool

Improve summer comfort and your home's value at the same time. Air condition a room, a floor, or your whole house. No ducts? We offer the latest in ductless systems. Our experts will give you a free in-home assessment and a recommendation tailored to your home.

## Automatic Generators

Power outage? Power on!

We install the very best automatic propane generators from Honeywell. They automatically engage whenever the power goes down. Your heat, AC, lights, refrigerator, and plumbing will run just like every other day of the year.

**DON'T WAIT,  
FINANCE IT!**

Upgrade now with  
0% financing and  
other options.

We're here to help. Email [action@bantamhome.com](mailto:action@bantamhome.com) or call at 860.567.9431.

## Insulation:

The all-season energy saver.

For return on investment, few things come close to insulation. It saves fuel in the winter, and electricity in the summer. There's no upkeep or recurring costs. Just savings, year after year after year.

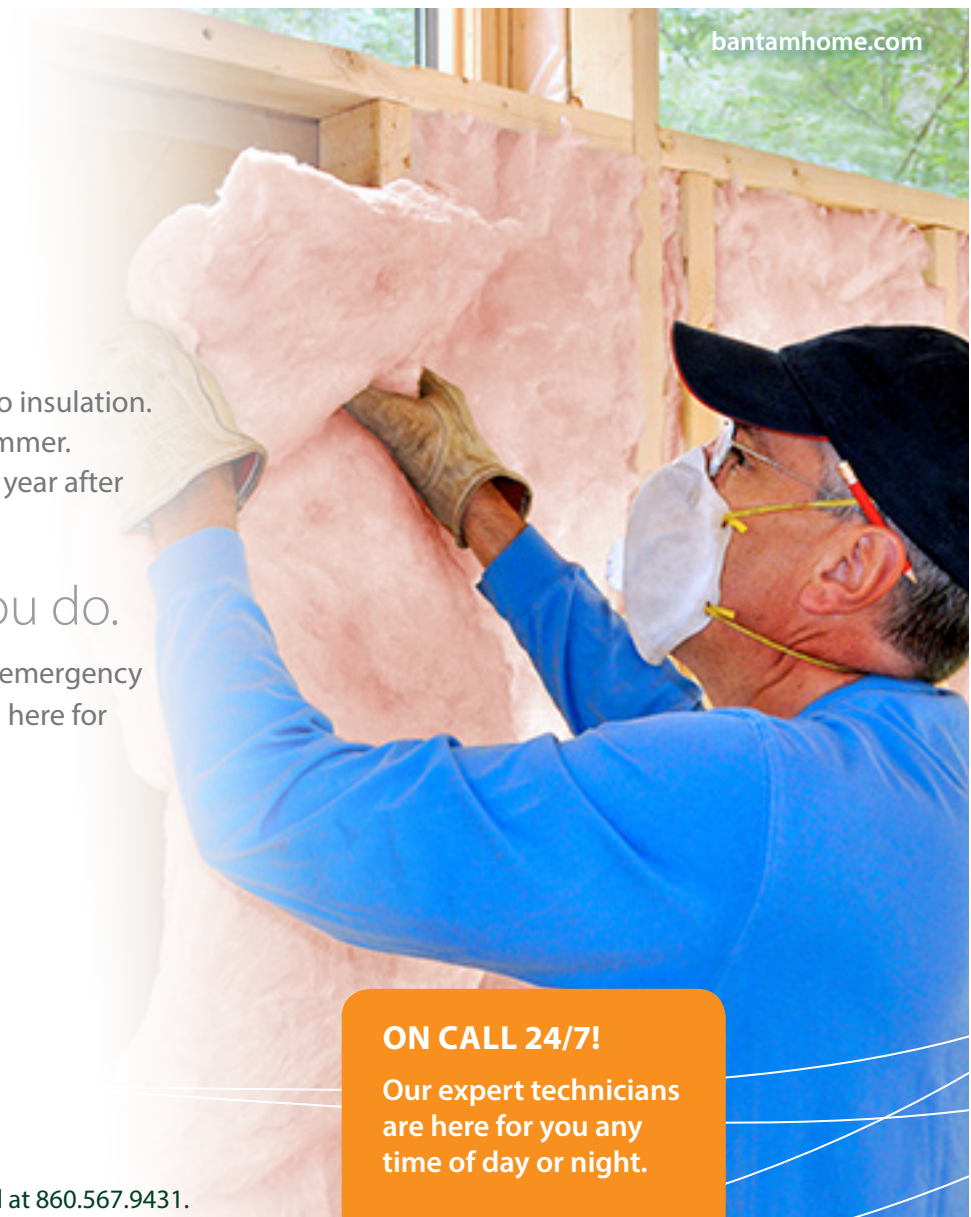

## Know a good plumber? Now you do.

Our licensed plumbers can handle any job – from emergency repairs, to kitchen and bath remodels. And they're here for you 24/7, along with our other technicians.

**ON CALL 24/7!**

Our expert technicians  
are here for you any  
time of day or night.

We're here to help. Email [action@bantamhome.com](mailto:action@bantamhome.com) or call at 860.567.9431.

## Service Bundles

- Regular seasonal maintenance
- 20% off repairs, including plumbing
- The BantamHome Energy Profile
- Automatic fuel delivery
- Annual oil tank ultrasound to assess your tank's health

## BantamHome Energy Profile

The more you know, the more you save.

Discover the savings in your heating system, insulation, windows, appliances and more. You'll find the path to greater savings and comfort throughout your home with our professional, interactive survey. Free with our Preferred Bundle!

We're here to help. Email [action@bantamhome.com](mailto:action@bantamhome.com) or call at 860.567.9431.

## Have the smartest house on the block

When your home has the right equipment to run at high efficiency – that's a smart use of energy!

**Wi-Fi Thermostats:** Control the temperature from your smartphone or computer and reduce your energy bills by up to 15%!

**High-efficiency heating and cooling systems:** They're quieter and use dramatically less energy than systems built 10 years ago.

**Remote Tank Monitoring:** Tells us in real time exactly how much fuel is in your tank so you never run out.

### ALWAYS THINKING AHEAD.

Bantam Home & Energy is constantly on the lookout for new ways to be energy efficient, so we can pass the benefits along to our customers.

We're ready to bring comfort,  
efficiency and savings together  
under one roof – yours.

Call or click any time.

**HEAT IS JUST OUR  
WARM-UP ACT.**

Our expertise goes beyond  
heating systems. We can  
help you improve energy  
efficiency and comfort all  
throughout your home.
